

Evade

Lacrimas Profundere

Nevermore obey
Die for what we want
Bitter pills and everywhere
To be a lie All is gone, deliberate
Please disgrace me
Let me indicate your gap
Yes, I will From beyond and forever
Be my enemy
Never no and never you Nail me on your walls
Spit on what you do
You would tear my emptiness
Differ and dare, you are a liar All is gone deliberate
Please disgrace me
Let me indicate your gap
Yes, I will From beyond and forever
Be my enemy
Never no and never you You are a liar
You are a liar
You are a liar All is gone deliberate
Please disgrace me
Let me indicate your gap
Yes, I will From beyond and forever
Be my enemy
Never no and never you
