

The Things That I Used to Do

G. Love & Special Sauce

The lyrics in the one by G love and Special Sauce look suspiciously, are are phrased WAY too much like Guitar Slim (Eddie Jones) in his 1964 recording of: 'The Things I Used To Do.'Lyrics:The things that I used to do

Lord I just won't do no more.

The things that I used to do

Lord I just won't do no more.

I use to sit up and hold your hand baby,
and cry... oh baby please do not go.I would search all night for ya darlin

lord knows my search would always be in vain

I would search all night for ya darlin

lord knows my search would always be in vain

But I knew all along, that you was hid out with
your other man.I will send you back to your mother babe

Lord know I'll go back to my family too.

I will send you back to your mother babe

Lord know I'll go back to my family too.

Ain't nuthin I do will please ya girl,

Lord knows I just can't get along with you.Never do them no more babyThings that I used to doI ain't never gonna do them no moreUsed to bother you aroundTears in my eye, low to the groundTry and get slower, we been nowhereYou would leave meLike twinkle soulIs where to goBaby you and meGet with the rollHere's a love song yeahAnd I'm gonna sing it to you so slowIn your eardrum getting readyAll night long I rock steadyAlways glowing like rudolphs nose atChristmas timeSure to glowinShining, undermining,In your veins all in your mindUpside you brainKnock down deliver like hot tamalesI start to simmerThings that I used to doI ain't never gonna umm do them noMoreThings that I used to do...yeahNever ever gonna do them no moreUsed to bother you aroundTears in my eye, sinkin low to the groundLower than the ocean, swimmin in theSeaLike I m a sword fish, check meBaby shinin all night longJust to get someThe things the house man used to doNever ever gonna do them no moreYeah the thing that the marshmellowMan- jimmy -jazz prescot on the bassUsed to doNever ever gonna do them no moreThe things that I used to doNever never never never gonna do them noMore
