

You Can Have It All

Hunters & Collectors

I'll tell you what it's going to be like
I saw you on the bus and that was that
There's more to this than passing by
There's more to this than meets the eye I'll tell you what it's going to be like
I saw you on the bus, I saw your shoes
They fell apart some time ago
Am I so boring, fine It's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thing I'll tell you what it's going to feel like
You lost a limb and you can feel it
If you leave at night, not by my side
'Cause I'm not there to hold you too tight Leave, I'll tell you what it's going to be like
No you can never hold my hand
If only they can know or understand
That you and me are now together It's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thing Oh oh, you can have it all, if that's alright
Oh, I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
And you can have it all, if it's alright, oh oh It's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thing Oh oh, you can have it all, if that's alright
And I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
Oh, I will give it all to you 'cause you never lied before And you can have it all, if that's alright
And I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
I know that you can have it all, if it's alright
