

# Friend of Mine

Steve Martin & Edie Brickell

Are you feeling that you're on the brink  
Of spilling some red in the sink?  
It wasn't the easiest year  
No I don't want you to go  
Are the memories too hard to take  
Rape is a word with a face  
No I don't want you to go  
You know I don't want you to go  
Friend of mine stay alive don't you leave me here  
All alone in a world with a chronic tear  
I will always be here, I will always be here  
I will always be here for you  
We walked the promenade in the rain  
With Velcro shoes and an ice cream stain  
You're the only one who understands  
Remember that Blake said to make sure you wake  
And help save your generation  
No I don't want you to go  
You know we don't want you to go  
Friend of mine stay alive don't you leave me here  
All alone in a world with a chronic tear  
I will always be here, I will always be here  
I will always be here for you  
Break  
Don't look back the past is just that  
We are, we are, we are, we are awake  
Friend of mine stay alive don't you leave me  
Friend of mine stay alive don't you leave me  
I will always be here, I will always be here  
Friend of mine stay alive don't you leave me here  
All alone in a world with a chronic tear  
I will always be here, I will always be here  
I will always be here for you
