Can You Feel It

The Jackson 5

If you look around
The whole world is coming together now

Can you feel it, can you feel it, can you feel it
Feel it in the air, the wind is taking it everywhere
Can you feel it, can you feel it, can you feel it
All the colors of the world should be
Lovin' each other wholeheartedly
Yes, it's all right
Take my message to your brother and tell him twice
Spread the word and try to teach the man
Who's hating his brother, when hate won't do
When we're all the same, 'cause the blood inside me is inside you

Can you feel it, can you feel it, can you feel it
Can you feel it, can you feel it, can you feel it

Sing out loud
Because we want to make a crowd
Touch a hand and sing a sound so pure, salvation rings

Can you feel it, can you feel it, can you feel it
Can you feel it, can you feel it, can you feel it

All the children of the world should be
Loving each other wholeheartedly
Yes, it's all right
Take my message to your brother and tell him twice
Take the news to the marching men,
Who are killing their brothers, when death won't do
Cause we're all the same
Yes, the blood inside me is inside of you

Can you feel it, can you feel it, can you feel it
Can you feel it, can you feel it, can you feel it

Every breath you take
Is someone's death in another place
Every healthy smile
Is hunger and strife to another child

But the stars do shine
In promising salvation, is near this time
Can you feel it now
So sisters and brothers
Show we know how
Now tell me

Can you feel it, can you feel it, can you feel it
Can you feel it, can you feel it, can you feel it
