

# A Promise

## Dead By April

You said "Something will change"  
We were all dressed up  
Somewhere to go, no sign of rain  
But something will change, you promised You said "Nothing will change"  
We were almost near, almost far  
Down came the rain  
But nothing will change, you promised A promise  
A promise  
A promise It's exactly the same  
You said "It's always the same  
But I'll make it change  
Into something the same, I promise" A promise  
A promise  
A promise Light on the waves  
Light on the waves  
Light on the waves  
Light on the waves A promise  
A promise  
A promise  
A promise (Light on the water)  
A promise  
(We could sail on forever)  
A promise  
(There's light on the water)  
A promise  
(We could sail on forever)  
A promise  
(There's light on the water)  
A promise
