

# Such A Fine Time

## Drumfish

I cant find my tie  
Theres something in my eye  
All these troubles why  
Such a fine time to be in my eye Where you going to be  
Youve brought me to my knees  
For all the world to see  
Such a fine time to be on my knees (Chorus) Where are you going to be  
I have found solitary  
And I want you to bleed And I dont understand  
What it takes to be a man  
Its all here in my hands  
Such a fine time to be a man
