

Hit Em

Migos

Yo bitch lookin' like she want to fuck some'
That's what I did when I came in the room and I hit her with the uh (Hit it!)
When a nigga hit the plug, when a nigga hit the trap and I hit em with the pump
Look at the pot, look at the egg beater, hit 'em with the uh (Skkrt)
Hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it (Hit it)
Hit 'em with it, hit 'em with it, hit it
Hit 'em with it, hit it
Hit 'em with it, hit 'em with it, hit 'em with itHit it, hit it, man I'm tryna stretch it to a whole fifty
Hit the juug, man I'm tryna put you niggas on if you with it
You niggas in your own lane, Migo gang in a division
Hit the pot just for the extras, abracadabra it's missing
Hit the pot, hit it hit it hit it, make 'em take that like Diddy
Fuck fuck nigga talking, pull up on the block with extensions
Look up the statistics, I'm worth a milli
I might pull up in the coupe and hurt your feelings
If you shooting at a nigga, better hit him
'Cause you never know, he could come back and hit youYour bitch lookin' like she want to fuck some
That's what I did when I came in the room and I hit her with the uh (Hit it!)
When a nigga hit the plug, when a nigga hit the trap and I hit em with the pump
Look at the pot, look at the egg beater, hit 'em with the uh (Skkrt)
Hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it (hit it)
Hit 'em with it, hit 'em with it, hit it

Hit 'em with it, hit 'em with it, hit 'em with itHit 'em with it, remix 'em
Beat 'em with it, Imma go and beat 'em with it
I won't ever leave it in her
Bullets hit the Sprinter, you sweeter than a cinnamon
I'm checking my agenda, you niggas acting feminine
All enough I pay my dividends, Migos I'm a citizen
It was evident we had to stay passionate
Pissing diamonds accident, my money is immaculate
Hit 'em with the tackle, pull out the chopper, not fronting I'll rush em
Sipping on Actavis in my blood vessel
I am not a mason but I'm rocking Margiella's
Higher than a motherfucker, just like a propeller

I'm riding in the Mulsanne, Bentley got umbrellas
My plug too far so I tell a nigga mail 'emYo bitch lookin' like she want to fuck some'
That's what I did when I came in the room and I hit her with the uh (Hit it!)
When a nigga hit the plug, when a nigga hit the trap and I hit em with the pump
Look at the pot, look at the egg beater, hit 'em with the uh (Skkrt)
Hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it (Hit it)
Hit 'em with it, hit 'em with it, hit it
Hit 'em with it, hit it
Hit 'em with it, hit 'em with it, hit 'em with itNigga talking crazy like he want to buck
Hit him with the uppercut, I make 'em knuckle up
Pull up in the Lamborghini, muscle like I'm tough
Make your bitch buckle up, turn me up
Sipping on poison ivy, nigga take my double cup
My brothers no Isley, tweety bird tweeting in my Bentley truck
Nigga talking bout a check then Imma run it up
Shots fired at my Sprinter bus, bap bap bap, grrr
Nobody got hit, it was ten of us
For dolla, cold chopped, and they pulling up
Pick up the vent, then I point it up
Start busting, there ain't no need to load it
I hit the gas tank on they Expedition truckYo bitch lookin' like she want to fuck some'
That's what I did when I came in the room and I hit her with the uh (Hit it!)
When a nigga hit the plug, when a nigga hit the trap and I hit em with the pump
Look at the pot, look at the egg beater, hit 'em with the uh (Skkrt)
Hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it
Hit 'em with it, hit 'em with it, hit 'em with it (Hit it)
Hit 'em with it, hit 'em with it, hit it
Hit 'em with it, hit it
