

Don't Do That

Blue System

Don't do that
(Don't do that)
Don't do that
Don't do that
(Please don't do that)
Don't do that Yeah, yeah, check it out, yeah
Yeah, yeah, check it out, yeah I can love you, love you little China girl
You're living in a secret world
And I don't know if it's easy
Baby, when you're falling in love I can leave you but I promise to return
Oh, I know your heart will burn
Oh, I don't know if it's easy
Baby, when you're falling in love Oh, don't do that
(Don't do that)
You break my heart
(Breaking my heart) I fall in love with you
(Falling in love)
You break apart
(Breaking apart) But if you go I lose my love
If you go I'll never love
Don't do that
(Don't do that)
Don't do that to me Yeah, yeah, yeah, yeah
Yeah, yeah, check it out, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, check it out, yeah I can leave you if you look at me this way
Meet me in my dreams and say
Oh, I know it's not sweeter
Sweeter when you're falling in love I can leave you no more nights with no end
Babe, I know you understand
Oh, I know love is sweeter
Sweeter when you're falling in love Oh, don't do that
(Don't do that)
You break my heart
(Breaking my heart) I fall in love with you
(Falling in love)
You break apart
(Breaking apart) But if you go I lose my love
If you go I'll never love

Don't do that
(Don't do that)
Don't do that to me Yeah, yeah, yeah, yeah
Yeah, yeah, check it out, yeah
Yeah, yeah, yeah, yeah Don't do that
(Don't do that)
You break my heart
(Breaking my heart) I fall in love with you
(Falling in love)
You break apart
(Breaking apart) Don't do that
(Don't do that)
You break my heart
(Breaking my heart) I fall in love with you
(Falling in love)
You break apart
(Breaking apart) But if you go I lose my love
If you go I'll never love
Don't do that
(Don't do that)
Don't do that to me Don't do that
