

Amazing (Bill Hamel Vocal Mix)

Seal

Everyone says you're amazing Say you don't know how to do it now
So you run

It's not that you're bleeding, but you're through with it now

So you run, so you run I know that you need it, you can't live alone

So you run, so you run Everyone says you're amazing now that you're clean

Only you know the real ones are cause you've seen

There's only one question I want to ask is it healing

When you hear everyone say you're amazing

Does anybody ask you Do you cry in your sleep and do you feel ok

When you run Thinking it's Doomsday you got to let it go

So you run, so you run Pretend you don't see it, that we can live a lie

So you run, so you run Everyone says you're amazing now that you're clean

Only you know the real ones are cause you've seen

There's only one question I want to ask is it healing

When, does anybody ask you Cause I know that you're real, amazing, amazing, amazing Everyone says you're
amazing now that you're clean

Only you know the real ones are cause you've seen

There's only one question I want to ask is it healing

When you.

Everyone says you're amazing Everyone says you're amazing

(I want you to always feel you're amazing)

Everyone says you're amazing

(I want you to always feel you're amazing)

Everyone says you're amazing

(I want you to always feel you're amazing)

(I want you to always feel you're amazing) You're amazing
