Relax

Crystal Waters

Come on
Come on

Come on, Baby

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it to you

Sit back, relax, [Come on...]
Take it easy baby, and let it go
Don't let it getcha
Don't you let it to you

Come on

Do you believe in yourself
'Cause I believe in you
I'm gonna be there by your side
And get to do what you gotta do

You wanna be your own man
Shake the world with your bare hands
Gotta have the best of it all
Be proud, and stand tall

No matter what you
No matter what you say
Things won't go your way
So when you're mad at the world
And all your feelings are hurt
Don't let it getcha
Ooh! Don't you let it to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you

Just take it easy babe
It's all gonna be alright
Just take it easy baby

There's nothing greater than you
Because heaven said it was true
And I'm gonna pray every night
To make sure we got it right
You wanna do what you can
Work as hard and come to no end
You gotta prove to them all
You're alright
Ain't nothing wrong

No matter what you
No matter what you say
Things won't go your way
So when you're mad at the world
And all your feelings are hurt
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you get let it to you

Just relax
Let it go
Let it go
Let it go

Let it go
Let it go
Let it go

No matter what
No matter what you say
Things won't go your way
So when you're mad at the world
And all your feelings are hurt
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you

Sit back, relax,
Take it easy baby, and let it go
Don't let it getcha
Don't you let it get to you
