

# Always Late (With Your Kisses)

[Nat Stuckey](#)

Always late mhm with your kisses  
Baby won't you come to my arms sweet darling and stay  
Always late mhm with your kisses oh why oh why do you want to do me this way  
How long do you think I can wait when you know you're always late  
Always late mhm with your kisses oh why oh why do you want to do me this way  
[ harmonica ]  
How long do you think...
