

Always Late (With Your Kisses)

Nat Stuckey

Always late mhm with your kisses
Baby won't you come to my arms sweet darling and stay
Always late mhm with your kisses oh why oh why do you want to do me this way
How long do you think I can wait when you know you're always late
Always late mhm with your kisses oh why oh why do you want to do me this way
[harmonica]
How long do you think...
