

Shine

Fielfraz

know that one day you will turn to me and cry.
You don't feel like we need to say goodbye.
You want me to forgive and understand.

No,
I would if I could but I can't.

I know that one day you will turn to me say.
You don't feel like we need to run away.
You want me to forget you changed the plan.

No,
I would if I could but I can't.

If you always change your ways.
Then you'll always be astray.
I can wait on you forever.
Forever.

And I'm getting closer.
I'm getting closer to clear the sea.
Everything's over,
Everything's over finally.
Waiting on someone.
I can wait on you forever.
Forever.

I know that one day you will turn to me say.
You're no longer a million miles away.
You want me to forgive and take a mend.

No,
I would if I could but I can't.
I would if I could but I can't.
