Do I Love You

Lake

The waterfall of life,
Above the sands of time.
I love you like a mountain,
Above the countryside.
The ocean breeze,
It blows your hair, so free.
The sky is making changes,
Reflections to the sea.Whoa,oh
no,no,no,no,no,no,oh
no,no,noDo I love you much too much?
Could I live without your touch?
Is it right to feel the way,
I feel about you?
Do I mean so much to you?
Do you feel the same way too?
So I ask myself again,
Over and over.
Do I love you, love you, love you?
Do I love you, love you, love you?The day is cloudin' over,
Rain is fallin' free.
I love you like a river,
That flows out to the sea.
The moonlight shines so silver,
Fallin' on your face.
The Stars are changin' colour.
for love is in the air.Whoa,oh
no,no,no,no,no,no,oh
no,no,noDo I love you much too much?
Could I live without your touch?
Is it right to feel the way,
I feel about you?
Do I mean so much to you?
Do you feel the same way too?
So I ask myself again,
Over and over.
Do I love you, love you, love you?
Do I love you, love you, love you?(repeat and fade)
