Final Warning

Skylar Grey

Someone's gonna get hurt,
Na na na na, na na na na na
Someone's gonna get hurt,
Na na na na, and it's not gonna be me.
Good morning gorgeous ... I drove your truck in the lake last night,
Hope she was worth it,
Don't worry, i slept just fine
You keep throwing punches but you won't win this fight,
You're just fucking yourself when you don't read the signs.
I'm going to the kitchen, coming back with a knife,
'Cause i've had enough this time!
This is your Final Warning,
There's a Dark Cloud overhead,
This is your Final Warning,
Just remember what i said,
Someone's gonna get hurt,
Na na na na, na na na na na
Someone's gonna get hurt,
Na na na na, and it's not gonna be me.
Good afternoon, dear.
How does the rope feel around your neck?
Just one more error,
Could be a fatal step
You keep throwing punches but you won't win this fight,
You're just fucking yourself when you don't read the signs.
I'm going to the kitchen, coming back with a knife,
'Cause i've had enough this time!

This is your Final Warning,
There's a Dark Cloud overhead,
This is your Final Warning,
Just remember what i said,
Someone's gonna get hurt,
Na na na na, na na na na na
Someone's gonna get hurt,
Na na na na, and it's not gonna be me
'cause your the one thing
you are, you are
the one thing

'cause your the one thing
you are, you are
This is your Final Warning,
There's a Dark Cloud overhead,
This is your Final Warning,
Just remember what i said,
Someone's gonna get hurt,
Na na na na, na na na na na
Someone's gonna get hurt,
Na na na na, and it's not gonna be me
'cause your the one thing
you are, you are
the one thing
'cause your the one thing
you are, you are
the one thing
