

# Jeffrey Dahmer Blues

## Macabre

[Guest Lead Guitar By Neil Kernon] On The Night I Met Jeffrey  
It Was A Terrible Night  
He Took Me Home And Drugged Me  
So I Couldn't Put Up A Fight I Got The Jeffrey Dahmer Blues  
It's Front Page News  
I Got The Jeffrey Dahmer Blues  
It's Front Page News He's Drilling My Head  
I Wish I Was Dead  
Instead I'm A Zombie  
Laying In Jeffrey's Bed I Got The Jeffrey Dahmer Blues  
It's Front Page News  
I Got The Jeffrey Dahmer Blues  
It's Front Page News
