

This Must Be Love (Demo)

Phil Collins

It must be love, I'm feeling
This must be love
Oh this must be love, I'm feeling
This must be love Well I wait in every day, just in case
You decide to call
And I can hardly wait
'Cause I never thought time could pass so slowly It must be love, I'm feeling
This must be love
Oh this must be love, I'm feeling
This must be love Happiness is something I never thought I'd feel again,
But now I know, oh
It's you that I've been looking for
And day by day more and more
Well, I know what you think, you've heard it before
Don't tell me I know
But this feeling inside my heart
You know I'm never letting go
'Cause I think that It must be love, I'm feeling
This must be love
Oh this must be love, I'm feeling
This must be love Words can only say so much
It's hard to express, oh
The things you do to me
You're everything I could've ever dreamed you'd be and This must be love, I'm feeling
This must be love, oh
This must be love, I'm feeling
This must be love This must be love, I'm feeling
This must be love, oh
This must be love, I'm feeling
This must be love, oh This must be love, I'm feeling
This must be love, oh
This must be love, I'm feeling
This must be love
