

The Let Down

Seaway

The let down.
He wasn't ready for it,
but she was yelling his name now.
And even when he came around
he wasn't having it.
The boy was panicking.
If only there wasn't any big let down.
She's calling right now.
It's over his head.
Please leave a message.
The world's ending.
Time out just to find out it's all in his head.
The message said... It's all the same.
If you feel the same we'll never change. Chill out if you think you know me bae,
'cause I don't really want to fight back.
Slow tunes, set mood, and your parents away
but you know I don't like that. We're going harder than we've ever gone before
and when you say my name I know it's all the same.
Let down.
Gotta sort each other out.
The world's ending but it's not ended yet,
although you'd like that.
Slow tunes, set mood,
and your parents away... I think I might like that.
Time out just to find out it's all in his head.
I know you like that.
It's all in my head.
And I love the way you touch my hair.
It makes it so damn hard.
If you feel that way it's all the same.
