

I Don't Care

Young Rome

I ain't thinking 'bout you haters ova head
I ain't thinking 'bout them hoes ova dere
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm thinking 'bout bustin' dem guns
I'm laid back wit that 151
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm tryna get it playa
I'll make 'em feel it playa
Whatchu hatas tryna do
Rome already did it playa
My wheels spin like a Ferris wheel
Since my days of youth
I was bumpin' dolla bills
You niggas know it's real
And I'm am tight and still
Only I was 8 when I signed my 1st deal
It's in my genetics to neva be a jealous man
'Cuz a jealous man is part feminine
Im half amazing my homeys blazin'
And dey don't hit the club till they look Asian
See you could blindfold 'em wit a shoe string
Niggas tryna study how I try ta do thangs
Witcha blue wings like the water in grill Jamaica
And we far from fakas see cake like bakas
Hatas cannot break us, Ralph can't forsake us
'Cuz we built the legacy like the L.A. Lakers
I ain't thinking 'bout you haters ova head
I ain't thinking 'bout them hoes ova dere
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm thinking 'bout bustin dem guns
I'm laid back wit that 151
Say whatchu wanna say
I'm too drunk to care too drunk to care

Do it look like I care
Now do I look like I care do I look like I give a damn
Say whatchu say or whatchu want when you the bottom man
A lower level that I'm on
I'm crunk and crunk and 'bout foolish in the zone
So dig it we ova here just doin what we like
Not stuttin' whatchu yellin' but push me to bigger night
Young bloodz wit young Rome, beleive it yea you see it
Posted wit a group fulla freaks where you can see it
Okay now y'all ain't crunk in hea
Yall ain't drunk in hea
I don't see no shots a liquor man dem boys drank beer
Man who dey posta be lookin' like some hoe to me
Don't make me pop that trunk to the lac
And wet up yo wifey
You know where I'll be
E A S T S I D E

All dem ball wit me
You got me ridin, swirvin', sackin' up and servin'
Posted on the corner
Police ridin' but we ain't nervous
I ain't thinking 'bout you haters ova head
I ain't thinking 'bout them hoes ova dere
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm thinking 'bout bustin dem guns
I'm laid back wit that 151
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
I see that niggas wanna look at me the wrong way
'Cuz my paper stackin' everytime you hear my song play
I handle my BI, Rubberban man like TI
Getin' money since I was knee high
Pumpin' bottles in the V-I
Chillin' wit a diva ultimate group move units fast like a cheetah
Security will heat us
Whole team bling wit jewels and wife beatas
You talking fellamese and got a bunch of misdemeanors
Petty crimes stealin TV's
I'm big league yall niggas Pee Wees
I see more green den the fish see sea weed
You say you seen more drugs den Dwayne Reid

But I don't beleive you and nona ya people homey
You can see far from evil
Starin' at me ain't helping you eat
I'm 'bout to take a few freaks back to the sweet Sea Ol lets role

Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm thinking 'bout bustin dem guns
I'm laid back wit that 151
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
I ain't thinking 'bout you haters ova head
I ain't thinking 'bout them hoes ova dere
Say whatchu wanna say
I'm too drunk to care too drunk to care
Do it look like I care
Now I'm thinking 'bout bustin dem guns
I'm laid back wit that 151
Say whatchu wanna say
