

# Filler (2006 Remastered LP Version)

## Minor Threat

What happened to you?  
You're not the same  
Something in your head  
Made a violent change  
It's in your head  
It's in your head  
It's in your head  
You call it religion  
You're full of shit  
Was she really worth it?  
She cost you your life  
You'll never leave her side  
She's gonna be your wife  
You call it romance  
You're full of shit  
Your brain is clay  
What's going on? You picked up a bible  
And now you're gone  
You call it religion  
You're full of shit
