

# Hold Back the Rain

## Duran Duran

Yes we're miles away from nowhere  
And the wind doesn't have a name  
So call it what you want to call it  
Still blows down the lane People tell me, I haven't changed at all  
But I don't feel the same  
And I bet you've had that feeling too  
You just can't laugh all the time And if the fires burn out there's only fire to blame  
(Hold back the rain)  
No time for worry 'cause we're on the roam again  
(Hold back the rain)  
The clouds all scatter and we ride the outside lane  
(Hold back the rain)  
Not on your own so help me please, hold back the rain So what if the words ain't rhyming  
Did you think that it's just a game?  
I probably didn't even say that right  
And I really don't give a damn Okay go off and wander  
I'm guilty just the same  
Sometimes you're needed badly  
So please come back again And if the fires burn out there's only fire to blame  
(Hold back the rain)  
No time for worry 'cause we're on the roam again  
(Hold back the rain)  
The clouds all scatter and we ride the outside lane  
(Hold back the rain)  
Not on your own so help me please, hold back the rain And if the stars burn out, there's only fire to blame  
(Hold back the rain)  
No time for worry 'cause we're on the roam again  
(Hold back the rain)  
The clouds all scatter and we ride the outside lane  
(Hold back the rain)  
Not on your own so help me please, hold back the rain Hold back the rain  
Hold back the rain  
Hold back the rain Hold back the rain  
(Hold back the rain)  
Hold back the rain  
(Hold back the rain)  
Hold back the rain  
(Hold back the rain)
