

I Don't Care (feat. Twiztid)

Insane Clown Posse

People say I talk too much
I don't care I talk too much
Momma say I failed in life
I don't care I failed in life
Daddy says I drink too much
I don't care I drink too much
People say I'm headed nowhere
And I don't fuckin' care Jimmy Johnson's gonna die
Sarah Suzie's gonna die
Everybody's dying slow
I don't give a fuck though
I'm only short like fifty bucks
I couldn't give fifty fucks
I could really use some help
You can go and fuck yourself Everybody's gonna die
Terror fallin' from the sky
Mothers with their children crying
And I could give a fuck why
They say you'll never walk again
Well go plug the Sega in
I think somebody stole my truck
Tell someone who gives a fuck The entire world is falling [Repeat x 4] How much do they charge in there?
Wait a minute, I don't care
I'ma shoot you in the face
I'll tell you how the bullets taste
Critics say you imitate
I don't give a fuckulate
50 million people dying
Awwwww I'm crying
Tell me all the things you saw
As if I give a fuck at all
You see me sittin' in the chair
People dying even there
Everything you saying to me
Shhhhh, go right through me
If I was to pick it up
I'd have to give a fuck, and I don't I don't care nothin' bout it
I can't do nothin' bout it
I can't do nothin' for you

I don't care nothin' bout it Rainforest burning down
War and riots all around
I'm inside like fuck 'em all
What's the main event on Raw?
Poison, mad cow disease
Can I get that with double cheese?
STD's steady spreadin'
Bareback up in this neden
I don't care The entire world is falling [Repeat x 4] I don't care nothin' bout it
I can't do nothin' bout it
I can't do nothin' for you
I don't care nothin' bout it Everyday when I wake up
All I really want to do is die
And go to the next phase
Ground up flesh is consumed Everyone is gonna die...
Fuck I ain't afraid to die
Go on shoot me in the eye
Do it, see if I survive
Give it to me point blank
Better "Bang!" Did you hit 'em?
Yes, and I don't give a fuck less
Careful it's a dark night
Give your money or your life
Take 'em both for all I care
Dump your bullets right here
If you notice on the door
Addicted crawlin' on the floor
Ask me did I ever care?
Nah... The entire world is falling [Repeat x 8] I don't care, I don't care [Repeat x 8]
