Let's Do It Together

Blue Six

Life can be hard
Light before darkness
And things you thought were certain
Come undoneFriendships turn cold
And lovers grow older
And people make excuses
For what's gone badWe'll find another way
You don't have to be aloneLet's do it together
Let's do it together
Let's do it togetherRivers run dry
Tears that won't cry
And pleasures you can count on
Turned to dustGovernments lie
Politicians tire me
And nothing on my TV
Is getting any betterThis time won't be the same
I'll be with you all alongLet's do it together
Let's do it together
Let's do it togetherTogether, ohYou are, you are the one
You are, you are the one
You are, you are the one
You are, you are the oneYou are, you are the one
Let's do it together
You are, you are the one
Let's do it togetherYou are, you are the one
Let's do it together
You are, you are the oneYou are, you are the one
Let's do it together
You are, you are the one
Let's do it togetherYou are, you are the one
Let's do it together
You are, you are the oneYou are, you are the one
You are, you are the one
You are, you are the one
You are, you are the oneTogether
TogetherTogether
TogetherTogether
TogetherYou are, you are the one
You are, you are the one

You are, you are the one
You are, you are the one
