

# Where You Belong

## The Weeknd

Yeah, yeah, yeah  
Oh yeah, oh yeah, oh yeah  
Yeah, yeah, yeah  
Oh yeah, oh yeah, oh yeah  
Yeah, yeah, yeah  
Oh yeah, oh yeah, oh yeah  
Yeah, yeah, yeah  
Oh yeah, oh yeah, oh yeahI feel the blood rushin' throughout ya body  
You see the scars painted over my skin  
I'm always numb to the topic of loving  
I fell in love with the subject of sin, ohI don't have to remind you, oh ohhh  
It's my need to confine you, oh ohhh  
I see your face every time I'm with somebody else  
Can't you see that I want you? (Put your feelings behind you)  
I don't have to remind you (don't have to remind you), oh ohhhWhere you belong, where you belong, where  
you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, where you belong  
Where you belong, long, longI'm in control, when you give me your body, yeah  
I feel our souls burnin' up when I'm, inside of you and I  
I'ma leave a mark, just to remind you, where you belong, baby  
Give me your all, scream as loud as you wantI don't have to remind you, oh ohhh  
It's my need to confine you, oh ohhh  
I see your face every time I'm with somebody else  
Can't you see that I want you? (Put your feelings behind you)  
I don't have to remind you (don't have to remind you), oh ohhhWhere you belong, where you belong, where  
you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, where you belong  
Where you belong, where you belong, long, long
