Contagious Love (feat. Zendaya)

Bella Thorne

Oh
What? HahaIt might rain just a little but, yeah, we dance in it
Rock to the rhythm and we put our hands with it
One life to live so we live it to the fullest
Young and free, yeah, you know how we do itHead in the clouds and the sun shines bright
Hope in your eyes and it shines that light
Gravity itself couldn't hold you down
Joy inside in the merry-go-roundAnd we bring it right back! (What?)
Positive energy magnetic attract, yeah
Haha, so we spread that love
Now everybody share it now, do it all together now!Hit me up with some love
Everybody need contagious love (oh)And I'll be happy with just enough (love)
Let me get that contagious love, likeHit me up with some love
Everybody need contagious love (oh)And I'll be happy with just enough (love)
Gimme, gimme that contagious loveIt was smiles over frowns, so we laugh without reason
Live out loud, 'cause our hearts are still beatin'
Sing on the elevator, watchin' people stare
Capture reaction, the moment's still thereThese are the times that we live for
So do it big, make it count, breathe it in slow
'Cause the clock don't stop, time won't stand still
You steal every moment that you can feelHaha, so we spread that love
Now everybody share it now, do it all together now! (What?)
Everybody share it now, do it all together now!
(And it'll all work out!) Woo!Hit me up with some love
Everybody need contagious love (oh)And I'll be happy with just enough (love)
Let me get that contagious love, likeHit me up with some love
