

Believe in Me

Michelle Williams

Ooooh ooooh
They see greatness
I see failure
I wanna know what they see in me
They see beauty
I see everything wrong
I wanna know what they see in me Believe in me again
I used to believe in me back then Maybe I'm guilty
Of loosing my focus
Was too busy chasin' what they wanted me to be
Livin' through their eyes
Drained by the spotlight
Wastin' away how the world's passing me Believe in me again
Like I believed in me back then Get back to the place that I left long ago
Where no one could tell me what's impossible 'Cause I believe in me again
Yes I believe in me again Ooooh
Gotta believe, gotta believe
Ooooh
Gotta believe, gotta believe
Gotta believe, gotta believe
Gotta believe, gotta believe Get back to the place that I left long ago
Where no one could tell me what's impossible Cause I believe in me again Now I'm back to the place I left long ago
Where no one could tell me what's impossible
Cause I believe in me again
Yes I believe in me again
Now I believe in me again
