You Want Love

Mixed Emotions

You gotta come back
brown eye
gotta come backcome hear me cry.
Gotta come back
brown eye
why do you make me cry?Hey
I can see it in your eyesI can see it in your smile: you want love
babeYou need it so badly and I need it
too.
Hey
I can feel it from your heartand I knew it from the start:
You want love
babe
let's do it just even for a night.And when you kiss me I can feel the heaven on earthAnd when you touch me I can dream.

I can see it in your eyes

brown eye
gotta come backcome hear me cry.
Gotta come back
brown eye
why do you make me cry?And when you hold me I can fly above to the skyAnd whisper words of love so sweet.
