Cigarettes

King's X

Have you gotten any cigarettes
And have you got anything for me?
I no longer know just what I'm saying
Is this how it's supposed to beSometimes, I think the pain blows my mind
Pain blows my mindIs it June or late September?
Is it 1993?
Could you help me to remember?
Is this how I'm supposed to be?Sometimes, I think the pain blows my mind
Pain blows my mindDid you ever get those cigarettes
And did you get anything for me?
Will you help me to remember
When I fall into the sea?Sometimes, I think the pain blows my mind
Pain, blows my mind
Pain, blows my mind
Pain, blows my mindPain, pain
Sometimes, I think the pain, pain
Sometimes, I think the pain, pain
Sometimes, I think the pain blows my mind
Blows my mind, oh
