

# Corruption

## Velcra

From the drip, drip, drip of the teardrops  
To the chink, chink, chink of the cash  
To the end, end, end of the friendships  
To the wack, wack, wack of the bash  
Corruption, corruption, corruption  
Rules my soul  
Corruption, corruption, corruption  
Rules my soul  
From the tick, tick, tick of your time's up  
To the yes, yes, yes of I'll sell  
From the fact, fact, fact of the soulless  
To the pact, pact, pact with hell  
Corruption, corruption, corruption  
Rules my soul  
Corruption, corruption, corruption  
Chills my bones  
Corruption, corruption, corruption  
Rules my soul  
Corruption, corruption, corruption  
Chills my bones  
From the scream, scream, scream of the babies  
To the retch, retch, retch of the youth  
From the lie, lie, lie of the righteous  
To the lost, lost, lost way I feel  
Corruption, corruption, corruption  
Rules my bones  
Corruption, corruption, corruption  
Chills my bones  
Corruption, corruption, corruption  
Rules my soul  
Corruption, corruption, corruption  
Rules my soul  
Corruption, corruption, oh  
Order in the court, decision to abort  
The monkey wants to speak  
So, speak, monkey, speak  
Speak, monkey, speak  
Speak, monkey, speak  
Speak, monkey, speak

Speak, monkey, speak  
Everything leads to corruption  
Everything leads to corruption  
Corruption
