

Come Back As a Flower

Stevie Wonder

The strangest thought came to me on this morning
As I awake to greet the coming dawn
The sun was hardly peaking through the garden
It felt that with everything, I was oneThen I wished that I could come back as a flower
As a flower, as a flower
How I wished that I could come back as a flower
As a flowerTo spread the sweetness of love
To spread the sweetness of loveThe dew had finished making love to many
A rainbow smelling sweet was in the air
I envied all the silence I saw growing
So unmoved by things outside of themselvesAnd how I wished that I could come back as a flower
As a flower, as a flower
How I wished that I could come back as a flower
As a flowerTo spread the sweetness of loveHow I wished that I could come back as a flower
Oh, as a flower, as a flower
How I wished that I could come back as a flower
As a flower, as a flowerTo spread the sweetness of love
To spread the sweetness of love
