

What Kind of Man Are You (feat. Mary Ann Fisher)

Ray Charles

What kind of man are you
Why do I love you so?
What kind of man are you
Yeah, yeah, when you love me no more? What kind of man are you
Why can't I let you go?
I wanna know, I wanna know
I wanna know, yes, about you What kind of man are you?
I just can't satisfy
What kind of man are you?
Oh yeah, no matter how I try What kind of man are you
Why do you tell me lies?
I wanna know, I wanna know
I wanna know, yes, about you What kind of man are you?
I'm always left alone
What kind of man are you?
How long can this go on? What kind of man are you?
Oh, help me somebody
You know right from wrong
I wanna know, I wanna know
I wanna know, yes, about you, oh yeah
