How I Want You

Charlee Drew

Verse 1:
I want more than, more than a number I can call
Someone who don't leave and maybe stays around to talk.I want the sunrise, yeah yeah yeah, to let us know we're up 'till dawn
and maybe when the sun is gone, someone to keep me warmPre-chorus:
You and your LBD, been doin' things to me
like turning up at 3am with nothing underneath
I want more than just your company
a little satisfaction guaranteeChorus:
Girl, if you want me how I want you we won't sleep
Yeah, you've got knees and I've got the technique
And if we start on monday we'll be here all week
Girl, if you want me how I want you, then just come to meVerse 2:
I want you right here, watching movies on the couch
We won't make it halfway through before the lights are going downI just want to see ya, yeah yeah yeah, wearing nothing but my shirt
and don't do all the buttons up, it's how you make it workPre-chorus
You and your LBD, been doin' things to me
like when you're turning up at 3am with nothing underneath, hey
I want more than just your company
a little satisfaction guaranteeChorus
Girl, if you want me how I want you we won't sleep
Yeah, you've got knees and I've got the technique
And if we start on monday we'll be here all week
Girl if you want me how I want you, then just come to meBridge:
Take the backstreets, beat the traffic
on the backseat, gotta have it
Tell me baby, what's the delay
Can you tell me baby, what's the delay.Yeah we both know where the road leads,
To a room where we both meet (?)
Yeah, we'll be up all night.If you want me how I want you we won't sleep
(yeah yeah yeah)
Yeah, you've got knees and I've got the technique
(I'm a give it to you baby)
And if we start on monday we'll be here all week
(All night long)
Girl, if you want me how I want youYouIf you want me how I want you we won't sleep
Yeah, you've got knees and I've got the technique
And if we start on monday we'll be here all week

Girl if you want me how I want you, then just come to me
