

# Because I love You

## Stevie B

I got your letter from the postman just the other day  
And so I decided to write you this song  
Just to let you know, exactly the way I feel  
To let you know my love's so realBecause I love you, I'll do anything  
I'll give you my heart, my everything  
Because I love you, I'll be right by your side  
To be a light, to be your guideIf you should feel that I don't really care  
And that you're starting to lose ground  
Just let me reassure you that you can count on me  
And that I'll always be aroundBecause I love you, my heart's an open door  
Girl won't you please come on in  
Because I love you, I'll be right by your side  
To be a light, to be your guide
