

All Or Nothing

Theory of a Deadman

When I first saw you standing there
 You know it was a little
 hard not to stare
So nervous when I drove you home
 I know being apart is a
 Little hard to bare
Send some flowers to your work an hopes
So that I will have you in my arms again
 We kissed that night before I left
 And now thats something
 I could never forget
 Youve got all that I need
 Looking at all or nothing
 Babe its you and I
 With you I know that
 I am good for something
 So let's go give it a try
We got our backs against the ocean
 Its just us against the world
 Looking at all or nothing
 Babe its you and I
 Looking at all or nothing
 Babe its you and I
Let's take a chance go far away today
 And never look back again
Since I said I loved you in Las Vegas
 Its never been the same since then
 Youve got all that I need
 Looking at all or nothing
 Babe its you and I
 With you I know
 I am good for something
 So lets go give it a try
We got our backs against the ocean
 Its just us against the world
 Looking at all or nothing
 Babe its you and I
 Looking at all or nothing
 Babe its you and I

This is it nothing to hide
One more kiss never say goodbye
This is it babe you're all mine
Looking at all or nothing
Babe its you and I
I know that I am good for something
So let's go give it a try
We got our backs against the ocean
Its just us against the world
Looking at all or nothing
Babe its you and I
With you I know that
I am good for something
So let's go give it a try
We got our backs against the ocean
Its just us against the world
Looking at all or nothing
Babe its you and I
Looking at all or nothing
Babe its you and I
Babe its you and I
Its you and I
