Lonely in My Heart

Bebel Gilberto

Lonely in my heart
I feel so shy inside
I feel a pain inside
I can tell
lonely in my thoughts
I'm like a bee in flight
and buzzes round at night
when I'm sleeping
lonely in my heart
I'm searching far and wide
and I cannot decide what is real
lonely in my soul
still a burning light
that makes me want to fight
for the answer
so many stories in my dreams
but only one I keep dreaming
the colours seem to face to gray
but here I am
going on dreaming
all images of you and me
a different time
another feeling
and the pictures star to fade away
but her I am
going on dreaming
lonely in my heart
I hear my spirit sing
I keep remembering all the good things
lonely in my thoughts
I'm drifting rigth aside
and there's a reason why
I go on
