Time and Love

The Free Design

So winter froze the river
And winter birds don't sing
So winter makes you shiver
So time is gonna bring you spring

so he swears he'll never marry
Says that cuddles are a curse
Just tell him plain
You're on the next train
If love don't get there first

Time and love
Everybody
Time and love,
Nothing cures like
Time and love
Don't let the devil fool you
Here comes a dove
Nothing cures like Time and love

So winter froze the river
And winter birds don't sing
So winter makes you shiver
So time is gonna bring you spring

you been runnin', you been ramblin',
And you don't know what to do
A holy golden wager says
That love will see you through

Time and love

So Jesus was an angel
And mankind broke his wing
But Jesus gave his lifeline
So sacred bells could sing

now a woman is a fighter
Gathered white or African
A woman

Is a woman is a woman inside
Has miracles for her man

Time and love
