Better

Marie Hines

Spin around, spin around with your heart in your hands,
With your heart in your hands
You're giving all you canHear the sound, hear the sound, hear the sound of your plans
Breaking down in your hands
You're going this freehandWe can't fight this
It's our calling
We can't turn it awayRunaway train flying past the depot
Trying hard to forget all that we know
You say we can try to make this betterClear the tracks for this fast paced free flow
Take the turns, try to learn as we go
You say we can try to make this betterCause people change, lives change and it's out of your hands
Yeah it's out of your hands
Don't you try to understandSo make your way, Make a way
Even if it's unplanned, unplanned,
Cause all alone, yeah, all alone we stand(PC)
(Chorus)We can't go back anyway
We can't go back anyway
We can't go back anyway(breakdown)
(Chorus)Better, better, better (oh, oh, oh)
We're gonna make it
We're gonna make it
We're gonna make it, make it after all
