Caught Down

Jimmie's Chicken Shack

I'm on top
attaining my peak
and everything they said was outta my reach
It's getting so close now
did it all for the hometown
Samoa you release, skip the throw downHad the weight of the world on my shoulders
felt like a lion in a room full of vultures
try to slow me up but the bird got focused
no shine but world still noticed
now I'm bout to earn this, reppin my culture
rockin' my hair lava lava like a soldier
Samoan flag hanging off of my wrist
30 Steps Steve Nash could he give the assist
if you act wrong
have your eye and you singing you a sad song
dead man walking, go put a body bag on
i just rocked the gear if they never put a tag on
hanging with the girls you can never get a hand on
I'm on top
attaining my peak
and everything they said was outta my reach
It's getting so close now
did it all for the hometown
Samoa you release, skip the throw downI'm on top
attaining my peak
and everything they said was outta my reach
It's getting so close now
did it all for the hometown
Samoa you release, skip the throw down
You know what it is, I'll be puffing out my test
I'm a rent a hard man screaming hummel to the death
tossed into the good life, i remember way back
seeing Trump, wishing I could re-create that
now we eating meals of of thousand dollar place mats
five star restaurants you couldn't even wait at
others make cash, we make history
Usos synonymous with victoryI'm on top
attaining my peak
and everything they said was outta my reach

It's getting so close now
did it all for the hometown
Samoa you release, skip the throw downI'm on top
attaining my peak
and everything they said was outta my reach
It's getting so close now
(close now)
win it all for the hometown
Samoa you release, skip the throw down
skip the throw down
It's outta my reach
it's getting so close now
for the hometown
skip the throw down
On Top
my peak
It's out of my reach
So Close Now
Hometown
Skip the throw down
Peak
It's out of my reach
it's getting so close now
for the hometown
skip the throw down
