

Funky Crime (2003 Digital Remaster)

Red Hot Chili Peppers

Why do you do what you do
I do what I want to do
Who said you could do what you do
I told you who told me to
I do what I want to do
I do what I want to do Funky crime funky crime
Don't you know funk's colors blind
Well I've committed a funky crime
Against a state of mind Hey you mister interview
I don't have to answer you
This is what I grew into
Don't judge me and my soul stew
funk is my attitude
Funk is my attitude Funky crime funky crime
Don't you know funk's colors blind
Well I've committed a funky crime
Against a state of mind Barriers of race
In the media take place
Tellin' you there is no room
For what you do, don't budge
There's no groove to your gloom
Who made you the judge
Always room for funky tunes
And yes I funk it up
I funk it up Funky boy
Meets a funky girl
Make it funky, baby
Cause the funk is crazy Why do you do what you do
I do what I want to do
Who said you could do what you do
I told you who told me to
I do what I want to do
I do what I want to do Funky crime funky crime
Don't you know funk's colors blind
Well I've committed a funky crime
Against a state of mind Funky crime
Funky crime
Funky funky crime

The crime is funky
