That Dog

Buy me flowers, change a love song
Love the song, I see you, sing a song fast
A tangled love song, my love
Know me, sing "Long live the sea" Look at me, have a good time
Smell the sand, it's my angel
Live in to me, let's go home, take a shower
For a long, long time, 'cause you're my angel Keep singing how the sun dies
Won't you sing alone?
Keep singing how the sun dies
Won't you sing alone?
