English

-
Eh eh eh eh OK Itâ€™s 4minute
Eh eh eh eh oh get yo big ass home right now
Eh eh eh eh One more time Itâ€™s 4minute
Eh eh eh eh oh get yo big ass home right now

I have 50 missed calls,
My hand is about to fall off
My head hurts so much
And it gets a bit hotter

Why do you do this whenever you drink?
Just stop now
Do you like partying that much?
I wonâ€™t let this one go

You say you love me but why donâ€™t you know my heart?
What do I do with my hurt pride?
Tears flow and I only listen to sad songs

I feel miserable, just do whatever you want

Hey boy Hey boy is it poppinâ€™ there?
How can you not think about me?
Hey boy Hey boy do you like partying that much?
Arenâ€™t you even worried about the person who is waiting for you?

Is it poppinâ€™ there? Is it poppinâ€™? Is it that great?
Just watch, just watch, youâ€™ll regret it
Is it poppinâ€™ there? Is it poppinâ€™? Do you like the girls?
Go home now, itâ€™s already past midnight

The time is 2AM and like your phone
That is turned off already
You probably set aside the trust in our relationship
Even if I say this,
You will just try to let this pass
Whatâ€™s the use?
Iâ€™m too irritated, itâ€™s goodbye now

You say you love me but why donâ€™t you know my heart?
What do I do with my hurt pride?
Tears flow and I only listen to sad songs
I feel miserable, just do whatever you want

Hey boy Hey boy is it poppinâ€™ there?
How can you not think about me?
Hey boy Hey boy do you like partying that much?
Arenâ€™t you even worried about the person who is waiting for you?

Is it poppinâ€™ there? Is it poppinâ€™? Is it that great?
Just watch, just watch, youâ€™ll regret it
Is it poppinâ€™ there? Is it poppinâ€™? Do you like the girls?
Go home now, itâ€™s already past midnight

Iâ€™m sad, Iâ€™m in pain because of you

Eh eh eh eh OK Itâ€™s 4minute
Eh eh eh eh oh get yo big sass on right now
Eh eh eh eh One more time Itâ€™s 4minute
Eh eh eh eh oh get yo big sass on right now
