

Yummy (DJ Paparazzi)

Gwen Stefani

I'm feelin' yummy head to toe
You see me
Ain't got no patience, so let's go
You see me
Look, I'm dyin' of drama
I wanna spend the night
Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me Walk in the place
They know my face
Encore sophomore
Only one solo, I swore
Big mouth, applause
Oh please, one more
Wanna hear it before I say naw?
Let me check my itinerary
Mmm, all right
Presto, skin tight
Escape and I risked my life
For what, so I can watch them bite
Only one Gwen you can find like this
I mean blow your mind like this
Your key won't shine like this
If it's yours, then you know it won't wind like this
Wind it up I'm feelin' yummy head to toe
You see me
Ain't got no patience, so let's go
You see me
Look, I'm dyin' of drama
I wanna spend the night
Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me I know you've been waiting
But I've been out making babies
And like a chef making donuts and pastries
(It's time to make you sweat)
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers

(It's time to make you sweat)Walk in the place
They know my face
Billionaire boys
Ice cream drippin' 'cross the floor
Big house, garage
Bentleys, Ferrari
Wanna go before I say naw?
Let met check my itinerary
Mmm, all right
G four, G flight
Bed in the back, so I have a G night
Goodnight, hood right
Ain't no nigga you can find like this
I mean blow your mind like this
Nigga's watch don't shine like this
If it's ticking, then it don't tell time like thisI'm feelin' yummy head to toe
You see me
Ain't got no patience, so let's go
You see me
Look, I'm dyin' of drama
I wanna spend the night
Don't bring pajamas
Man, there's so much heat beneath these clothes
You see meI know you've been waiting
But I've been out making babies
And like a chef making donuts and pastries
(It's time to make you sweat)
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers
(It's time to make you sweat)Now sweat, baby
Get stupid, jump up, go crazy
L.A.M.B. in 3-D
Worldwide across your T.V.
P, you crazy; how'd you get this?
This sounds like disco Tetris
Do I have time to connect this?
Let me check my itinerary
MmmI came back for my spotlight
(For her spotlight)
I disappeared like Houdini
(Where? Houdini)
If yours didn't come out right
(If it's not right...)
Go to Kinko's and Xerox meI'm feelin' yummy head to toe

You see me
Ain't got no patience, so let's go
You see me
Look, I'm dyin' of drama
I wanna spend the night
Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me I'm feelin' yummy head to toe
You see me
Ain't got no patience, so let's go
You see me
Look, I'm dyin' of drama
I wanna spend the night
Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me I know you've been waiting
But I've been out making babies
And like a chef making donuts and pastries
(It's time to make you sweat)
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers
(It's time to make you sweat, sweat, sweat)
