Lullaby

The Josties

Rest darling little one, close your eyes in peace, knowing that Jesus, is watching as you sleep, He will protect you, His love is everywhere, nothing can separate you from His tender care, for you are His precious, His child, His design. He knows all about you, youâ€™re always on His mind, thereâ€™s not a place that you can be, that Heâ€™s there, His spirit sees, He planned every day for you, youâ€™ll never be alone. Rest darling little one, close your eyes in peace, knowing that Jesus, is watching as you sleep, He will protect you, His love is everywhere, nothing can separate you from His tender care.
