

Hooked On Love

Grand Funk Railroad

Satisfy my need in life, now
Let me hear you say
You'll be lovin' me alright
Until your dyin' day Say it a little bit louder, now
I'm startin' to get in your groove
You've got nothing to worry about
Your love is on the move I hope some day the light of love
Shines bright upon your face
I don't care who you are
I love the human race Don't you know that I am hooked on love
Don't you know I am hooked on love
Believe me when I say it, hooked on love
Hooked on love Believe me when I say it, hooked on love
Believe me, I'm not mad, hooked on love
Hooked on love
Hooked on love
