

# We Must Be Killers (Audio)

[Mikky Ekko](#)

I woke up I was stuck in a dream  
You were there you were tellin them everything  
We all know how to fake it baby  
We all know what we've done  
We must be killers children of the wild ones  
Killers, where we got left to run  
Killer, killer, killer, killer  
Killer, killer, killer, killer Set my body free  
Silver tigers in the moonlight running  
And the wind in the trees singing do you believe We all know how to fake it baby  
We know when its gone  
We must be killers children of the wild ones  
Killers where we got left to run  
Killer, killer, killer, killer  
Killer, killer, killer, killer We all know how to fake it baby  
We don't know what we've done  
We must be killers children of the wild ones  
Killers where we got left to run
