## Don't Do It

## Frida

Don't do it

Don't do it

Don't look at me the way you do

Don't do it

Those eyes of yours

Are much too blue

Don't do it

Don't do it

Don't make me think

This could be true

Don't do it

These lips so close

Belong to who

Don't do itDon't come closer

Stay away from me

My heart is not prepaired

Why don't we wait and see

Please give it timeDon't do it

Don't look at me the way you do

Don't do it

Those eyes of yours

Are much too blue

Don't do itI'm falling, falling, falling

I'm falling in love with you

I'm falling, falling, falling

And there is nothing I can do

You're falling, falling, falling

You're falling the same way too

We're falling, falling, falling

And there is nothing we can doDon't do it darling

Don't do it

Don't call me back

I have to go

Don't do it

Oh, my resistance running low

Don't do it

Don't do it

Don't tell me what I need to know

Don't do it

Oh, I may never let you go Don't do itDon't come closer Stay away from me My heart is not prepaired Why don't we wait and see Please give it timeI'm falling, falling, falling I'm falling in love with you I'm falling, falling, falling And there is nothing I can do You're falling, falling, falling You're falling the same way too You're falling, falling, falling And there is nothing we can doI'm falling, falling, falling I'm falling in love with you I'm falling, falling, falling And there is nothing I can do You're falling, falling, falling You're falling the same way too You're falling, falling, falling And there is nothing we can do
