

# SLEEPING DOGS

Zakk Wylde

You couldn't find your peace  
Within the bitterness that burns  
For the sleeping dogs that lie  
Forever to return, forever to return  
Gone but not forgotten  
You cut me down just to watch me bleed  
Gone but not forgotten  
I gave you the last word and that's the last thing you'll take from me  
Isn't justice that you hope?  
Believe in the story that you sell  
For the Sleeping Dogs that lie  
They are live and well, live and well  
Gone but not forgotten  
You cut me down just to watch me bleed  
Gone but not forgotten  
I gave you the last word and that's the last thing you take from me  
Gone but not forgotten  
You cut me down just to watch me bleed  
Gone but not forgotten  
I gave you the last word and that's the last thing you take from me  
The last thing you take from me  
The last thing you take from me
