

# You're Not The One

Zane Carney

Dreams stay with you  
Always on my mind  
I got a lust for lies  
Seasons bring truth  
When I found mine, it was summertime  
It's the middle of the night and I'm so gone  
And I'm thinking about how much I need you  
But you really want somebody else  
Should be given the right to carry on  
I'm still thinking about how much I need you  
But you really want somebody else  
You're not the one  
Guess you're not the one  
Streets like a zoo  
Through a city of lights, love at first sight  
Silent rays of blue  
They slowly glide  
Right down my spine  
It's the middle of the night and I'm so gone  
And I'm thinking about how much I need you  
But you really want somebody else  
Should be given the right to carry on  
I'm still thinking about how much I need you  
But you really want somebody else  
You're not the one  
Guess you're not the one  
You're not the one  
Guess you're not the one  
I was enjoying the ride  
And now we're standing on the graveside  
Left unsatisfied  
I won't even bother to fight  
I know you're not the one  
You're not the one  
You're not the one  
You're not the one  
You're not the one  
You're not the one  
Guess you're not the one  
You're not the one  
Guess you're not the one  
You're not the one
