Incarnated Solvent Abuse

Carcass

Intenacious, intersecting, reaving fats
From corporal griskin
Culled for sodden gelatine brayedSkeletal groats triturated, desinently, exsiccated
Sere gluten ate brewed for frivolous solvent abuseDerogate coarse remains for glue to dry
Despoiled marrow razedA truculent shambles so severeExtravated bone as adhesive incarnate
A pellucid quietus nocuosly I createCorporal glue, breathe in the fumes
Mucilage vapors, toxic fumes to savorComminuted remains as gum to dry
A lissom gel so glazedA truculent, shambolic affairThe exsanguine esprit snorted as snuff
Rheumic oils forever, bonded together as gumHuman glue, choke on the fumes
Noxious vapors, slaughterous labor
